

February 28, 2018

Dear Parents:

Since the Clifton Schools have an early closing on March 22, 2018, Center for Family Resources will close all sites at 1 PM in order to provide a Professional Development program for every staff member. Therefore, all Head Start, Early Head Start, before/after classes, Highland's Family Success Center and Family Childcare homes will end programming at 1 PM on 3/22/18. I apologize for the inconvenience in advance but we get few opportunities to meet with all Center for Family Resources' staff.

Sincerely,

Elaine V. Ruhl  
Executive Director  
Center for Family Resources
