

# Bone Density Screening

**April 20, 2018 • 8:30 to 11:30am**

**Fee: \$10**

Atlantic Health Pavilion, Second Floor  
242 West Parkway, Pompton Plains

This screening uses a painless bone density test to measure bone density through the wrist.

Health education counseling about the risk of osteoporosis will also be provided.

Open to men and women 35 or older. Appointments are required.
